# And What Have You

By BOB CRAIG

It is unfortunate that the annual BCD banquet had to be postponed; but with the conflict of an important basketball game and the serious outbreak of flu, it will no doubt benefit from better attendance at a later

With someone of the stature of Lt. Gov. Ben Barnes coming to town to speak it would be bad reflection on Hamlin if the attendance was poor.

And it did not help matters any when the retiring president, Johnny Bryant came down with the flu. Since to a large extent the banquet is to honor the outgoing president as well as to introduce the incoming one it would be much better to have Johnny there.

We would like to extend our welcome to Hamlin's new athletic director and head football coach, Deane Wright. We met him at the Monday board meeting when he was hired and was very much impressed with the man.

He has an impressive record and the experience to make us a coach that both the school and the town can be proud of.

We hope that everyone will go out of their way to make him feel welcome here.

#### Stonewall County Livestock Show Set This Weekend

160 animals are entered in this year's annual 4-H and FFA Stonewall Livestock This is the largest Show in many years. The Show will start with weighins Friday morning at 9:00 a. m. The Show will start at 4:00 p.m. that afternoon. All sheep and Hogs will show until finished that night. Saturday, 10:30 a.m. all Calves will show followed by Bar-B-Q at 12:00 noon. Sale of animals at 1:30

Conners of Post will Judge the Hogs and Sheep. L. M. McCarroll of Paducah will Judge the Calves.

day, Feb. 16, at 7:30 p.m. in the Willie Wirehand Room at Midwest Electric Cooperative by a judging panel consisting of the following persons: Ken Lloyd, Texas Electric Cooperatives, Austin; Joe McCaleb, Speech Teacher, Sweetwater High School; and Mrs. Pat McKennon, former speech therapist, Sweetwater.

From the finalists, one boy and one girl will be selected as winners of an all expense paid trip to Washington, D. C. with the Texas Electric Cooperatives Youth Tour in June.

The final judging will be based on knowledge of subject, speaking ability, poise, personality, and appearance.

The youth group will travel to Washington by chartered buses. Participants will be chaperoned by six adult couples.

#### Episcopalians To Organize Area Mission Church

An organizational meeting for a mission church in Stamford has been planned by Episcopalians in the area.

All those interested in the formation of an Episcopalian Mission are invited to attend the meeting Sunday afternoon at 3 in the Council Room of City Hall in Stam-

# **Congress Told Disaster to Follow** If Major Farm Programs Expire

WASHINGTON, D. C. -If major farm programs are allowed to expire at the end of this year, disaster will follow in the rural economy, a Fly-In group of some 260 farmers from eight states told members of the House and Senate here early this

John Scarborough, Dub Drummond and Joe Ford were among farm and rural leaders from Texas, Minnesota, South Dakota, Colorado, Wyoming, New Mexico, Kansas and Pennsylvania, making the House and Senate calls and delivering Farmers Union recommendations on major legislative needs of agricul-

"The Farmers Union has worked with 25 other general farm and commodity groups to develop the coalition farm bill. This bill - the Purcell bill - is co-sponsored by more than 50 members of the House and Senate. It is not all that Farmers Union believes is needed, but it provides the framework on which Congress can build an improved, long-range program." said Tony T. Dechant, national president of Farmers Union.

"Time is running short and we can no longer wait for an Administration farm bill. Members of Congress will have to go ahead and take the initiative and our coa-

lition farm bill gives them the vehicle with which to start," he said.

"A year ago, they were telling the farm groups to get together. We did" declared Dechant. "Now, it is time to move the next step from coalition to consensus. One by one, the possible alternatives have been examined and rejected and the Coalition Farm Bill stands out as one alternative which is broad in scope and would bring about a measurable improvement in farm prices and income."

Jay Naman, president of the Texas Farmers Union, warned against either elimination of parity as a basis for farm support levels or making the farm programs entirely discretionary with the Secretary of Agriculture.

The 65-member Texas delegation headed by Naman met with ASCS Administrator Kenneth Frick to protest a 13 percent reduction in "projected yields" of cotton. The meeting was called by Congressman George Mahon of the 19th Congressional District of Texas.

The grassroots lobbyists also urged restoration of advance payments in the 1970 farm programs, inclusion of a strengthened food stamp program in the farm bill and a rollback of the currently excessive interest rates

a tie for title honors.

The Hamlin Pipers and the Coleman Bluecats will meet here Friday night to decide who will meet Merkel in a game to determine the District 7-AA playoff representative. Merkel finished the regular season Tuesday with

#### School Closed-

## Conflict, Flu **Postpones BCD** Banquet

Barry Moore, general chairman for the annual Board of Community Development banquet, announced Tuesday afternoon that the banquet schedled for Friday evening will be postponed. The new

date will be set later, he said. The decision to postpone the banquet was made because of so much sickness and a conflict with the crucial district basketball game here with Coleman. Schools were closed after classes Monday afternoon when absenteeism reached 14%. Classes resume Monday morning.

The speaker, Lt. Gov. Ben Barnes, was contacted and will work with the committee in setting a new date.

Tickets already purchased will be honored when the banquet is re-scheduled.

#### **Prevention Best** Way to Control Disease - Agent

Prevention is still the best method of disease control in livestock. And, reminds County Agent Kirby Clayton, rendering assistance to newborn farm animals is a case in point.

For example, he says, one of the greatest dangers to new arrivals is infection through the umbilical cord which connects to the liver and kidneys.

Disease entering the animals system through this avenue can be reduced by the simple process of dipping the stump navel in a solution of iodine. The iodine should be applied as soon after the birth of the animal as possible, notes the county agent.

The iodine can be applied from a small jar, such as a half-pint jelly jar, and should be of veterinary strength, about 10 percent iodine. The use of iodine normally advised for humans will be of little benefit since the percentage of iodine is too low.

#### Mrs. Sonnenburg To Tell Of Trip To Lebanon Sun.

Mrs. Ray Sonnenburg, who visited Lebanon last fall, will present a talk on her trip at the evening worship hour at First United Methodist Church Sunday evening.

The service will start at 7 p.m. in the santuary. The public is cordially invited.

#### Council Elects Officers At Meet

The Jones County 4-H Council met in the county Extension agents' offices at 10:00 a.m. on Saturday, January 31st, according to County Extension Agents Mary Y. Newberry and Kirby Clay-

After the leadership train-

ing in parliamentary drill, the group elected the following officers for the 1970 year: Chairman, Phil Hay; Vice Chairman, Patti Byers; Alternate Delegates: Girl, Darla Pitcock, Boy, Danny Spraberry; Secretary, Debbie Turnage; Treasurer, Deanna Forrest; Reporter, Phil George; Song and Recreation Leaders, Joan Patty and Joe

# **Deane Wright Named Head Coach Monday**

of play.

Deane Wright, head coach of Springlake-Earth, was named athletic director and head football coach by the Hamlin School Board here Monday night. He will assume his duties here March 1.

Wright was hired to take the place of Joe Youngblood who resigned last fall at the end of the football season to enter private business.

Wright, a graduate of West Texas State in 1951, has been head coach at Springlake-Earth for the past year and was head coach at Crosbyton from 1960 through 1967. He was employed by Sport Center of Lubbock, an athletic supply firm, between the two coaching positions. Prior to coaching at Crosbyton, he was assistant coach at Slaton, Tahoka and Amherst.

His team at Springlake this past season posted a 7-3 record after a 3-7 record the year before. He was named the South Plains Class A Coach of the Year by the Lubbock Avalanche-Journal.

Wright played football four years, basketball one year and baseball three years while at West Texas State, playing on the Border Conference Championship team in 1950

. . . new head coach

that defeated the University of Cincinnati in the Sun Bowl. He has a Bachelor of Science Degree in Physical

# Rainfall for 1969, As Recorded At City Pump Station, Totals 29.65

A tabulation of the rainfall for 1969 has been compiled by Bill Rountree at City Pump Station where the official measurement is made. A total of 29.65 inches was

recorded for the year. The heaviest rains fell in May with a total of 7.20 in-September was next with 5.91. January's total was .21, the least amount for a

month. The most recorded on a single day was 2.55 on May 6. The amounts were recorded

as follows: January: 15, trace; 19, t; 22, t; 29, .21; 31, t. Total .21. February: 5, t; 13, t; 14, .52; 17, .03; 19, .04; 20, .10;

21, .46. Total 1.15.

#### Eighth Graders **Have Chance to** Share District Title

The Hamlin Junior High Eighth grade boys basketball team will be trying for at least a share of the conference championship when they host Anson here Monday evening. Anson is undefeated and Hamlin has lost one game to Anson.

seventh grade boys will be trying to keep their record clean as they close out the season with Anson Monday and Lueders-Avoca the following Thursday.

Last Thursday evening the three local teams traveled to Haskell with the two boys teams winning, the eighth: grade, 65-28, and the seventh grade, 68-10. The girls lost, 29-5. High pointers were Jim Johnson, 21, Johnny Jones, 20, and Christi Bell and Leigh Ann Vaughan, 2 each.

Monday evening the teams won all three games with Rotan with the eighth grade boys winning, 52-22, the seventh grade boys, 42-6, and the eighth grade girls, 21-12.

High scorers were David Willis with 17, Johnny Jones with 16, and Christi Bell with

played here Friday as the two girls' teams met earlier with the Piperettes winning. The B game will start at 6:15 with the varsity game

The Pipers defeated Anson here last Friday, 69-66, and won over Winters in a game played there Tuesday, 88-82. Robert Bolden was high both nights with 20 points against Anson and 27 against Winters.

The Piperettes lost both games with Winters winning the district title and they will meet Comanche in bi-district next week.

# **Election Set** For Places On **School Board**

The Hamlin Board of Education in its regular meeting Monday evening called a trustee election for April 4 in the new high school lobby. The terms of two trustees expire

this year. The three-year terms of Dr. James Harrison and Lewis

Madden expire. Those desiring to have their names placed on the ballot for trustee must make application in writing and sign a Loyalty Oath by March 4. Mrs. J. O. Murphree, secretary to the superintendent, has the application forms in her office.

The board appointed the following election officials: A. B. Carlton, judge; Mrs. Arlie Cassle and Mrs. A. B. Carlton, clerks; and Mrs. Murphree, absentee clerk.

Absentee voting will begin March 15 and run through March 31.

In other action the board extended the two-year contracts of the four school principals. Having their contracts extended were B. V. Newberry, high school principal; Marvin Carlton, junior high principal; Mrs. Mary Brown, elementary principal; and Mrs. Fred Smith, primary

principal. Supt. C. F. Cook asked the board not to consider renewing his contract in that he would retire at the end of his current contract which expires in June of 1972.

Creating An Airport Ess ing Ordinance For General Law Cities ordinance regulating

and restricting the height of structures and objects of natural growth, and other wise regulating the use of property, in the vicinity of The Hamlin Municipal Airport by creating airport approach zones, transition zenes, horizontal zone and conical zones, and restablishing the boundaries thereof, providing for changes in the restrictions and boundaries of such zones defining certain terms used herein, referring to The Hamlin Municipal Airport zoning map which is incorporated in and made a part of this ordinance, providing for enforcement, establishing a board of appeals and impesing penalties.

This ordinance is adopted Building Supply, 152 South pursuant to the authority conferred by the provisions of Chapter 391 of the Acts of the Regular Session of the FRAMES - many patterns 50th Legislature 1947, as to choose from. We also carry amended, and specifically by Article 46E-3, Revised Statu-

tes of Texas. It is hereby found that an airport hazard endangers the lives and property of users of Hamlin Municipal Airport and of occupants of land in its vicinity, and also, if of the obstruction type, in effect reduces the size of the area available for the landing, tak-BIG FIVE ROOM rental ing-off and maneuvering of home, extra large living room, aircrafts, thus tending to destroy or impair the utility of ly neighbors, see H. O. CAS- Hamlin Municipal Airport and the public investment there-

TWO BED ROOM, rental in Accordingly, it is declared: (1) that the creation or establishment of an airport hazard is a public nuisance and an injury to the region served by Hamlin Municipal Airport; (2) that it is necessary in the interest of the public health, public safety and general welfare that the bedroom house located at creation or establishment of airport hazards be prevented; and. (3) that the prevention of these hazards should be accomplished, to the extent legally possible, by the exercise of the police power without compensation. It is further declared that both Three bedroom home or large the prevention of the creation or establishment of airport hazards and the elimination,

HAMLIN, TEXAS: Section 1. Short Title. This Ordinance shall be known and high school. See Ester Has- may be cited as "Hamlin Municipal Airport Zoning Ordinance.'

> Section 2. Definitions. As used in this Ordinance, unless the context otherwise requires:

(1) AIRPORT - means ing room 24 feet in length, (2) AIRPORT ELEVAT-Kitchen 18 feet long, garage ION - means the established with work shop, bed room elevation of the highest point

your note for the balance of means any structure, tree or \$5250.00 at \$60.00 per month use of land which obstructs at 7% interest. No other the airspace required for or money required. Investigate is otherwise hazardous to now. H. O. CASSLE & SON. the flight of aircraft in landing or taking-off at the airport.

(4) AIRPORT REFER-ENCE POINT - means the point established as the approximate geographic center the airport landing area and so designated.

(5) JOINT AIRPORT ZONING BOARD - means a board consisting of seven (7) members, two appointed by the Hamlin City Council, two appointed by the Jones County Commissioners Court, sition zones. two appointed by the Fisher County Commissioners Court; and the six so appointed shall appoint a seventh, the

chairman. (6) HEIGHT - For the purpose of determining the height limits in all zones set forth in this ordinance and shown on the zoning map, the datum shall be mean sea level elevation unless otherwise specified.

(7) LANDING AREA means the surface area of the Airport used for the landing, take-off or taxiing of aircraft.

NON-CONFORMING (8) USE - means any structure. tree, or use of land which is lawfully in existence at the time the regulation is prescribed in the Ordinance or an amendment thereto becomes effective and does not then meet the requirements of

said regulation. (9) PERSON - means an individual, firm, partnership, corporation, company, association, joint stock association, or body politic, and includes a trustee, receiver, assignee, administrator, ecutor, guardian, or other representative.

(10) RUNWAY -- means the paved surface of an airport landing strip.

(11) STRUCTURE - means an object constructed or installed by man, including, but not limited to, buildings, towers, smokestacks, and over-

head transmission lines. (12) TREE - means any object of natural growth. Section 3. Zones. In order

to carry out the provisions of this Ordinance, there are hereby created and established certain zones which include all of the land lying within the Approach Zones, Transition Zones, Horizontal Zone and Conical Zone. Such areas and zones are shown on Hamlin Municipal Airport Zoning consisting of one sheet(s), prepared by Tex-Aeronautics Commission dated October 1 1969, which is attached to this Ordinance and made a part hereof. The various zones are

as follows: (1) APPROACH ZONE -Approach zone is established

hereby established and defined

at each end of all runways on Hamlin Municipal Airport for (non - instrument) landings and take-offs. The approach zone shall have a width of 250 feet at a distance of 200 feet beyond each end of the runway, widening thereafter uniformly to a width of 2,250 feet at a horizontal distance of 10,200 feet beyond each end of the runway, its centerline being the construction of the centerline of the run-

(2) TRANSITION ZONES - Transition zones are hereby established adjacent to each runway and approach zone as indicated on the zoning map. Transition zones adjacent to approach zones for the entire length of the sition zones have variable widths, as shown on the zoning map. Such transition zones flare symmetrically with either side of the runway approach zones from the base of such zones and slope upward and outward at the rate of one (1) foot vertically for each seven (7) feet horizontally to the points where they intersect the surfaces of the horizontal and conical

HORIZONTAL ZONE A horizontal zone is hereby established as the area within a circle with its center at the Airport Reference Point and having a radius of 5,000 feet. The horizontal zone does not include the approach zones and the transit-

ion zones. (4) CONICAL ZONE - A Conical zone is hereby established as the area that commences at the periphery of the horizontal zone and extends outward therefrom a distance of 3,000 feet. The conical zone does not include the approach zones and tran-

Section 4. Height Limitations. Except as otherwise provided in this Ordinance, no structure or tree shall be errected, altered, allowed to grow, or maintain in any zone created by this Ordinance to a height in excess of the height limit herein established for such zone. Such height limitations are hereby established for each of the zones in question as follows:

(1) APPROACH ZONES One (1) foot in height for each twenty (20) feet in horizontal distance beginning at a point 200 feet from and at the elevation of the end of the runway and extending to a point 10,200 feet from the end of the runway.

(2) TRANSITION ZONES - One (1) foot in height for each seven (7) feet in horizontal distance beginning at any point 125 feet normal to and at the elevation of the centerline of runways extending 200 feet beyond each end thereof, extending to a beight of 150 feet above the airport elevation which is 1903 feet above mean sea level. In addition to the foregoing, there are established height limits of one (1) foot vertical height for each seven (7) feet horizontal distance measured from the edges of all approach zones for the entire length of the approach zones and extending upward and outward to the points where they intersect the horizontal or conical surfaces.

(3) HORIZONTAL ZONE - One hundred fifty (150) feet above the airport elevation or a height of 1903 feet above mean sea level.

(4) CONICAL ZONE - One (1) foot in height for each twenty (20) feet of horizontal distance beginning at the periphery of the horizontal zone, extending to a height of 300 above the airport elevation.

(5) EXCEPTED HEIGHT LIMITATIONS - Nothing in this Ordinance shall be construed as prohibiting the growth, construction or maintenance of any tree or structure to a height up to 250 feet above the surface of the land.

Where an area is covered by more than one (1) height limitation, the more restrict-

ive limitations shall prevail. Section 5. Use Restrictions. Notwithstanding any other provisions of this Ordinance, no use may be made of land within any zone established by this Ordinance in such a manner as to create electrical interference with radio communication between the Airport and aircraft, make it difficult for flyers to distinguish between airport lights and others, result in glare in the eyes of flyers using the Airport, impair visibility in the vicinity of the Airport or otherwise endanger the landing, taking-off, or maneuver-

ing of aircraft. Section 6. Non Conforming symmetrically located on ei- Uses. (a) Regulations not ther side of runways, have Retroactive. Further, or intended use of any transitor zones are established structure, the construction or alteration of which was begun prior to the effective date approach zones. These tran- of this Ordinance, and is diligently prosecuted.

(b) Marking and Lighting. Notwithstanding the preceding provision of this Section, the owner of any non-conforming structure or tree is hereby required to permit the installation, operation, and maintenance thereon of such markers and lights as shall be deemed necessary by the Joint Airport Zoning Board to indicate to the operators of aircraft in the vicinity of the airport hazards. Such markers and lights shall be installed, operated, and maintained at the expense of City of Hamlin.

Section 7. Permits. (a) Future Uses. Except as sired, with sufficient particularity to permit it to be determined wherther the resulting use, structure or tree would conform to the regulations herein prescribed. If such determination is in the affirmative, the permit shall be granted.

(1) In the area lying within the limits of the Horizontal Zone and the Conical Zone, no permit shall be required for any tree or structure less than 75 feet of vertical height above the ground, except when, because of terrain, land contour or topographic features such tree or structure would extend above the height limits prescribed for

such zone. (2) In the areas lying within the limits of the approach zones but at a horizontal distance of not less than 4,200 feet from each end of the runways, no permit shall be required for any tree or structure less than 75 feet of vertical height above the ground, except when such tree or structure would extend above the height prescribed for such approach

(3) In the areas lying within the limits of the transition zones beyond the perimeter of the horizontal zone, no permit shall be required for any tree or structure less than 75 feet of vertical height above the ground except when such tree or structure, because of terrain, land contour or topographic features would extend above the height limit prescribed for such transition

Nothing contained in any of the foregoing exceptions shall be construed as permitting or intending to permit any construction, alteration or growth of any structure or tree in excess of any of the height limits established by this Ordinance except as set forth in Section 5.

(b) Exisiting Uses. No permit shall be granted that would allow the establishment or creation of an airport hazard or permit a non-conforming use, structure, or tree to be made or become higher, or become a greater hazard to air navigation, than it

was on the effective date of legal conclusions from such this Ordinance or any amend- facts in reversing, affirming, ments thereto or than it is or modifying any order, rewhen the application for a quirement, decision, or deterpermit is made. Except as mination, which comes before indicated, all applications for it under the provisions of this such a permit shall be grant- Ordinance.

Whenever the Joint Airport

a non-conforming structure or tree has been abandoned or more than 80 percent torn down, physically deteriorated, or decayed, no permit shall be granted that would allow such structure or tree to exthe applicable height or otherwise deviate from the zoning regulations. (d) Variances. Any person desiring to erect or increase the height of any structure, or permit the growth of any tree, or use his property, not

in accordance with the regulations prescribed in this Ordinance, may apply to the Board of Adjustment for a variance from such regulations. Such variances shall be allowed where it is duly found that a literal application or enforcement of the regulations would result in practical difficulty or unnecessary hardship and the relief granted would not be contrary to the public interest but will do substantial justice and be in accordance with the spirit of this Ordinance. (3) Hazard Marking and

Lighting. Any permit or variance granted may, If such action is deemed advisable to effectuate the purpose of this ordinance and be reasonable in the circumstances, be so conditioned as to require the owner of the structure or tree in question to permit the City of Hamlin at its own expense to install, operate, and maintain thereon such mark-Airport, the presence of such ers and lights as may be necessary to indicate to flyers the presence of an airport hazard. Section 8. Enforcement. It

shall be the duty of the Joint Airport Zoning Board to administer and enforce the regulations prescribed herein. Apspecifically provided in para- plications for permits and graphs 1, 2 and 3 hereunder, variances shall be made to no material change shall be the Joint Airport Zoning made in the use of land and Board through the office of the no structure or tree shall be Mayor upon a form furnisherected, altered, planted or ed by him. Applications, reotherwise established in any quired by this Ordinance to zone hereby created unless a be submitted to the Joint Airpermit therefor shall have port Zoning Board, shall be been applied for and granted. promptly considered and Each application for a permit granted or denied. Applications shall indicate the purpose for action by the Board of for which the permit is de- Adjustment shall be forthtransmitted by the with Chairman, Joint Airport Zoning Board.

Section 9. Board of Adjustment. (a) There is hereby created a Board of Adjustment to have and exercise the following powers: (1) to hear and decide appeals from any order requirement, decision, or determination made by the Joint Airport Zoning Board in the enforcement of this Ordinance; (2) to hear and decide special exceptions to the terms of this Ordinance upon which such Board of Adjustment under such regulations may be required to pass; (3) to hear and decide

specific variances. (b) The Board of Adjustment shall consist of five members appointed by the Hamlin Municipal Joint Airport Zoning Board as prescribed in the provisions of Chapter 391 of the Acts of the Regular Session of the 50th Legislature 1947, as amended and each shall serve for a term of two (2) years and removable for cause by appointment authority the upon written charges, after a public hearing.

(c) The Board of Adjustment shall adopt rules for its governance and procedure in harmony with the provisions of this Ordinance. Meetings of the Board of Adjustment shall be held at the call of of the Chairman and at such times as the Board of Adjustment may determine. The Chairman, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses. All hearings of the Board of Adjustment shall be public. The Board of Adjustment shall keep minutes of its proceedings showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall immediately be filed in the office of the City Clerk, Hamlin and shall be a public record.

(d) The Board of Adjustment shall make written findings of fact and conclusions of law giving the facts upon which it acted and its

(e) The concurring vote (c) Non-conforming Uses of a majority of the members Abandoned or Destroyed. of the Board of Adjustment shall be sufficient to reverse any order, requirement, de-Zoning Board determines that cision, or determination of the Joint Airport Zoning Board or to decide in favor of the applicant on any matter upon which it is required to pass under this Ordinance, or to effect any variation in this Ordinance.

Section 10. Appeals. (a) Any person aggrieved, or any taxpayer affected, by any decision of the Joint Airport Zoning Board made in his administration of this Ordinance, if of the opinion that a decision of the Joint Airport Zoning Board is an improper application of these regulations, may appeal to the Board of Adjustment.

(b) All appeals hereunder must be taken within a reasonable time as provided by the rules of the Board of Adjustment, by filing with the Joint Airport Zoning Board a notice of appeal specifying the grounds thereof. Joint Airport Zoning Board shall forthwith transmit to the Board of Adjustment all the papers constituting the record upon which the action appealed from was taken.

(c) An appeal shall stay all proceedings in furtherance of the action appealed from, unless the Joint Airport Zoning Board certifies to the Board of Adjustment, after the notice of appeal has been filed with it, that by reason of the facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property. In such case, proceedings shall not be stayed except by order of the Board of Adjustment on notice to the agency from which the appeal is taken and on due cause shown.

(d) The Board of Adjustment may in conformity with the provisions of this Ordinance, reverse or affirm, in whole or in part, or modify the order, requirement, decision or determination appealed from and may be ap-

propriate under the circumstances.

Section 11. Judicial Review. Any person aggrieved, or any taxpayer affected, by any decision of the Board of Adjustment, may appeal to the Court of Record as provided in Section 11 Chapter 391 of the Public Laws of the State of Texas, as amended, Article 46E-11 of the Revised Statutes of Texas.

Section 12. Penalties. Each violation of this Ordinance or of any regulation, order, or ruling promulgated hereunder shall constitute a misdemeanor and be punishable by a fine of not more than \$200.00 and each day a violation continues to exist shall constitute a separate offense.

Sestion 13. Conflicting Regulations. Where there exists a conflict between any of the regulations or limitations prescribed in this Ordinance and any other regulations applicable to the same area, whether the conflict be with respect to the height of structures or trees, the use of land, or any other matter, the more stringent limitation or requirement shall govern and prevail.

Section 14. Severability. If any of the provisions of this Ordinance or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are declared to be severable.

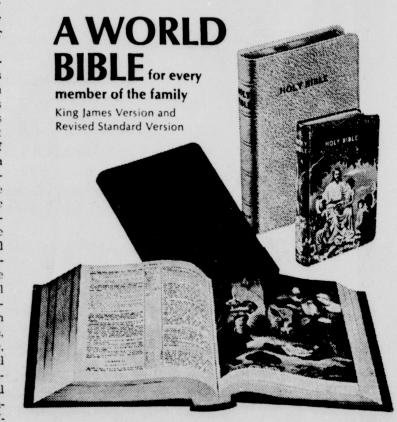

Section 15. Effective Date WHEREAS, the immediate operation of the provisions of this Ordinance is necessary for the preservation of the public health, public safety. and general welfare, an EMERGENCY is hereby declared to exist, and this Ordinance shall be in full force and effect from and after its passage by the Airport Zoning Board and publication and posting as required by law. Adopted by the Joint Airport Zoning Board this 9th day of December 1969.

#### Now Is Time to Apply Top Dressing To Small Grains

Top dressing time for small grains is at hand and is a job that should be done on time, reminds County Agent Kirby Clayton. Adequate soil moisture, at the time of application, usually insures a good response for the plant food.

If early planted small grains have been grazed, it is reasonable to expect that all or most of the orginally applied nitrogen has been used by the crop. If forage yields have been checked, or a protein analysis obtained, it is fairly easy to determine how much nitrogen has been used by the crop so far.

As a general rule, points out the county agent, for every ton of 12.5 percent protein forage produced, 40 pounds of nitrogen are required. Top dressing should be

done within the next month KIDNEY DANGER SIGNALS. BACKACHE

> Suit will seek statewide uniform property tax valuations. Action is due to be directed against the State Board of Education.

Meanwhile, the Texas Research League pointed out that aid to local school districts is the most expensive obligation of state government and most important determinant of future tax requirements.

Expansion of the foundation school program and teacher pay raises voted last year will increase state expenditures for public elementary and secondary education by \$345 nillion in the current biennium and will produce an additional 50 per cent increase in total state costs during the next six years.

Cumulative total increase in state aid for a six-year period is calculated at \$1.6 billion in new state funds. Higher salaries account for 65 per cent of this.

Research League predicts that the legislature will have to raise \$298 million in new funds for public schools next year, \$270 million more in 1973 and \$186 million more in 1975.

Department of Public Safety is launching a statewide program emphasizing driver licensing. A study that many of the serious traffic accidents involved unlicensed drivers.

Col. Wilson E. Speir, DPS director, said the drive is in conjunction with Gov. Preston Smith's coordinated traffic safety program. Studies revealed that 9.6 per cent of drivers involved in fatal accidents were unlicensed. Here's what the program will undertake immediately:

big city and rural school districts over the cost of education is expected to go to federal court soon in a major

Dallas, Fort Worth and Houston school boards questioned the "financial fairness" of collection and distribution of the state's minimum foundation funds.

They claim that the distribution formula favors rural districts. A bill to correct this brought a storm of protest from rural districts durhad a lot of fun. The FFA ing last year's legislative sesboys won the championship sion. Best the legislature trophy by defeating the Ant could come up with under the Hill Mob. # FROM THE FILES . . .

FORTY-FIVE YEARS AGO (February 20, 1925)

The car belonging to Judge Clem Calhoun, which was stolen from the garage at Judge W. J. Brians home on Sunday night. February 8th, was found in Medford, Oklahoma, and was returned to the owner some time last week. The car was found with the three men who had excaped from the Anson jail the previous Saturday night.

The names of the men making their escape were, Roy Wilson, Mitchell Franklin and Dick Davis, all of whom had rather long sentences, one getting twenty-five and another ten years imprisonment.

Sheriff Tom Hudson and City Marshall Will Johnson went after the men and returned them to the Anson jail.

Folks, the law says you MUST have Two License Numbers on your car; one in the front and one on the back. This is a warning. —See that your car has these two numbers.

-L. E. Littleton,

Deputy Sheriff. Miss Kathalene Mayfield, of Haskell, was here Saturday and Sunday visiting her grandmother, Mrs. R. D. Moore and other relatives.

The recent jail delivery is more evidence that the Jones Co. Grand Jury knew what it was talking about when it reported to Judge Bruce W. Bryant two weeks ago that Jones County needed a new jail. The present jail has served its purpose and a new one should be erected at once to take its place. Anson has grown rapidly during the past two years and the News is sure the County Commissioners realize that the town and county have outgrown the present county jail.—Anson News.

TWENTY YEARS AGO (February 10, 1950)

Thieves were active in the Hamlin area Thursday night and early Friday morning when the Winn Variety Store and Safeway store were burglarized. Also entered were schools at Roby and Longworth.

Indications are that preparation was made in a professional manner for the crimes perpetrated here. The band cooly entered the rear door of the Winn store and moved the small safe out of view from the street before starting the task of knocking the combination from the strongbox. Little effort was made to rifle the cash registers at the various counters throughout the store and the men seemed content to concentrate for a larger sum. No merchandise was disturbed as far as can be determined by Manager Travis Hash.

Hash entered the store early Friday morning and immediately noticed that the back door and stock room door were both open which was contrary to the usual custom. Investigation revealed that the safe had been moved from its location inside the railing of his office partition to

a point screened from the street. The safe had been turned on its side and the combination punched from the door through use of punches. Checks and other papers stored in the safe were left by the burglars after an apparent careful examination. Approximately \$200 was taken from the

Earlier in the day strangers had made purchases in the store of trivial items and excited suspicion of the store personnel by careful examination of exits as a means of entry. Three men in their late teens and early twenties were in the group.

After robbery of the Winn store, the group crossed to the Safeway store and cut a hole through the roof of that building to gain entrance there. While trying for the safe in that store they were disturbed by the arrival of a produce truck with a 4:30 delivery. The driver had a key to permit inside delivery at the back entrance and when he drove up to make his delivery, found that the back door was open to permit escape. He left for aid before entering the store and the intruders were apparently frightened away by his arrival. In their haste they left tools laid out to be used on the safe and Halloween masks which had been obtained as a disguise. According to Manager Clyde Alexander of Safeway, no merchandise was disturbed at his store.

TEN YEARS AGO (February 11, 1960)

Two of the nine underground missile firing sites of the Dyess Air Force Base missile squadron headquarters recently located in the area will be located in Jones County, it was announced this week. One will be about 10 miles southeast of Hamlin near the Corinth Baptist Church and the other southwest of Anson.

Winner's of Hamlin's first Pied Piper Day drawing Saturday were Mary Howington, Mrs. Jack Wicker and Ben Gonzales. Mrs. C. R. Binnicker's name was called for the \$50 award but she was not present.

The drawings will be held on the Dillingham lot north of the post office each Saturday afternoon at 4:00 p.m., according to C. L. Howard, chairman of the sponsoring trade development committee of the Board of Community Development.

With only 18 days remaining in which to file names for places on the City of Hamlin ballot for this year, no candidates were on the scene at mid-week.

A mayor and three members of the City Council are to be elected in the April 5 election. Filing time closes Saturday noon, March 5, reminds Mrs. H. M. Barrow, city secretary.

Terms of Mayor L. H. McBride and Councilmen James Josey, Joe Hudspeth and Max Murrell expire. Murrell asked The Herald to say that he would not seek reelection. The others, serving their first terms, have not indicated their intentions.

#### Augustine Barron On Dean's List

The Dean's List of first semester honor students at McMurry College was announced last week by Dr. Porter Crow, dean of facul-

Augustine Barron from Hamlin was among those named to this select group which represents the top ten per cent of the student body. In order to be named to the Dean's List, a student must have at least a 3.5 grade point average.

#### Singing Sunday

The Third Sunady Singing will be held at 2 p.m. at Foursquare Gospel Church. Everyone is invited.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the (hurch because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God
